

## Medalliance Discount Fee Policy

### Policy

It is the policy of Medalliance to provide essential medical services regardless of the patient's ability to pay. Discounts are offered based upon household income and size. A sliding fee schedule is used to calculate the basic discount and is updated each year using the federal poverty guidelines. Once approved, the discount will be honored for six months, after which the patient must reapply.

### Discount Application Process

A completed application including required documentation of the home address, household income, and insurance coverage must be on file and approved by the business office before a discount will be granted. If the applicant appears to be eligible for Medicaid, a written denial of coverage by Medicaid may also be required.

Adolescent patients seeking confidential care are exempt from the application process, and services are provided at the nominal rate.

<b>Medical</b>	The discount is applied to all in-office services and off-site services supplied by Medalliance healthcare providers.
<b>Pharmacy</b>	Samples are provided, when available, without charge.
<b>Lab &amp; X-ray</b>	The discount is applied to in-office laboratory and x-ray services. Reference laboratory tests and consulting radiology interpretations are excluded.

**Discounted/Sliding Fee Application**

it is the policy of Medalliance to provide essential services regardless of the patient's ability to pay. Discounts are offered based upon family income and size. Please complete the following information and return to the front desk to determine if you or members of your family are eligible for a discount.

The discount will apply to all services received at this clinic, but **not** those services which are purchased **from outside**, including reference laboratory testing, drugs, and x-ray interpretation by a consulting radiologist, and other such services. In the hope that your financial situation improves, discounts apply only to current, not future services. This form must be completed for each visit. Please inquire at the front desk if you have questions.
